NORWAY HILL ROOM

A bright and airy event space in the corner of our tap room. Filled with windows, creating an inviting space that can be used by you and your guests for birthday parties, wedding rehearsal dinners, corporate functions, family get-togethers, and more. A wonderfully repurposed space with a mix of new and old, filled with history while nestled in the century old former Gibson Textile Mill.

You're responsible for removing your own decorations that you brought.

All unused food should be disposed of before departure. If you have catering trays, please ask our staff for assistance.

FAQS

Q: How do I use the projector?

A: The small square remote needs to be pointed to the black box on the ceiling of the room. After hitting power on, press the 1 button. Use the grey remote to power on the projector. Select input and connect to HDMI.
